Texas Wants You.
The Gulf Coast of Texas is a charming resort for invalids who don't like zero weather. Big attractions also for home-seekers; twenty acres planted in pears nets the owner year after orchard is established. Strawberries and grapes also raised. Regular winter tourists can be bought tickets on Tuesday of each month from a limited territory to all points in Texas.
The excursion fare? enough—a little over a cent tickets good thirty days, with southbound.
Talk it over with agent Santa Fe Route, or address G. T. Nicholson, G. P. A., T. & S. F. R. R., Topeka, Kas., and ask for free copy of illustrated pamphlet describing Texas coast country. It costs only a cent to ask, and it may mean a fortune for you.

The Kansas City Stock Yards

Are the most complete and commodious in the west and second largest in the world. Higher prices are realized here than farther east. This is due to the fact that stock marketed here is in better condition and has less shrinkage, having been shipped a shorter distance; and also to there being located at these yards eight packing houses, with an aggregate daily capacity of 9,000 cattle, 40,000 hogs and 4,000 sheep. There are in regular attendance sharp, competitive buyers for the packing houses of Chicago, Omaha, St. Louis, Indianapolis, Cincinnati, New York and Boston and the Export trade to Europe. All the eighteen railroads running into Kansas City have direct connection with the yards.
